➤ **COURSE DESCRIPTION:** This course is designed to introduce students to the various jobs available to them in the video production field. Students in this class will be responsible for producing Houck's weekly student announcements and other multimedia presentations throughout the school year. Students will take on a variety of roles in front of and behind the camera. Students are encouraged, but not required, to attend school events to gather material for projects.

➤ **STUDENTS ARE REQUIRED TO BRING TO CLASS EVERY DAY:**

Something to Write With	Agenda	A Desire to Learn and Improve
		

➤ **GRADING POLICY:** We want every student to demonstrate proficiency in the skills and knowledge for every project. Students build their grade throughout the semester.

Academic Grading			
4	Exceeds	90 - 100%	A
3	Meets	80 - 89%	B
2	Nearly Meets	70 - 79%	C
1	Beginning	55 - 69%	D
0.5	Little Understanding	0 - 54%	F

➤ **PORTFOLIO:** Students will create a portfolio that showcases their best quality work for each semester. Any portfolio work that scores low can be redone and regraded for full credit.

➤ **HOMEWORK:** Students will be provided ample time in class to complete projects. Any work not completed in class automatically becomes homework. If your student does not have access to a computer, tablet or smartphone at home, they are welcome to arrange a time to stay after school or come in before school to use our class technology.

➤ **CLASS PACING / ACCOMMODATIONS:** This class is at grade level and will progress at an average rate. Modifications and or accommodations will be made for TAG, IEP and 504 students.
